**Doug Oksendahl**

I have recently (May 2007) become a permanent resident on Pelican Lake but have been a property owner since 1994 and rented prior to that. I am interested in serving my fellow residents and others who use and enjoy the lakes area and all that it offers. Being a full time resident I feel it is my obligation to serve in any capacity that will help maintain and, if possible, improve the lake environment for all to enjoy.
